#### **Couple with three children under the age of four wins Spargo's "Rediscover Romance" Sweetest Day Sweepstakes**

PEWAUKEE, WI – (October 8, 2007) Spargo Salon & Day Spa located in Pewaukee, Wisconsin and recently named a "Salon of Distinction" by SALON TODAY magazine, announced today that Teresa and Chris Hytinen are the winning couple of Spargo's "Rediscover Romance" Sweetest Day sweepstakes.

The sweepstakes prize package, to be claimed on Sweetest Day (Saturday, October 20), includes door-to-door limo service provided by VIP Transports Limousine Service to Spargo for a spa couple's service followed by a romantic dinner for two at Zin – Uncommon California Italian Restaurant in Delafield, Wisconsin. Only couples that honeymooned in Italy were eligible to win.

October is a special month for the Hytinen's with Chris' birthday on October 19, the day before they'll claim their Sweetest Day prize package, and their wedding anniversary on October 28.

"With three children under the age of four, I cried and screamed when I found out we'd won," said Teresa. "We can't wait to be pampered."

Inspired by and authentically designed to re-create the ambiance of ancient Roman bath houses, the Hytinen's will be the recipients of Spargo's "Rediscover Romance" spa together treatment where they'll be immersed in two Hydrating Bath Soaks in Kohler Infinity Sok Tubs, unwind with two 60 minute massages, and enjoy fresh fruit and champagne in front of a warm, relaxing fire before being transported by limousine for dinner at Zin.
